Hello.

Soon after our meeting this morning, I received direction and sent an email stating that:

YN Tribal Council has decided that they want an in-person government-to-government meeting to discuss Bradford Island cleanup and NPL listing. The in-person meeting will be held with COVID safety measures that meet or exceed CDC guidelines.

Here are available dates for arranging this meeting:

- * January 4, 5, or 6, 2022 from 10am to 12pm
- * February 1, 2, or 3, 2022 from 10am to 12pm

Unfortunately, a virtual meeting is not an option. Could you please check on your management's availability for these dates?

Thank you,
rose

All,

As per the request from our meeting this morning, the District Commander is not available the morning of 9 Dec, but he and Liza are both available on 6 Dec, after 10:30. Please let me know if a virtual meeting on 6 Dec from 10:30 to 12:00 will work for you.
